Professor Frank Bongiorno AM, Australian historian, academic and author, will introduce us to his latest work, *Dreamers and Schemers: A political history of Australia*. This volume has been described by George Megalogenis as: 'An original take on our politics and people, written with an open mind and a warm heart'. Frank will be joined in conversation by Professor Nicholas Brown, an historian and biographer. Among his many works, Nick has written, with Susan Boden, *A Way through: The life of Rick Farley*, a biography of Rick that recognised his extensive contribution to the creation of Landcare in Australia.
